

Topic Home Learning Menu 20-4.20-24.4.20

This term, the children in EYFS are exploring changes and growing in our topic "Let's See What Happens!" Here are a few different activities the children could do. It is just like a menu so you and your child can choose one activity or as many as you want! You may even think of other activities you and your child could do all about growing. You can email photographs, writing or art work to EYFS@new-swann.leics.sch.uk. We can't wait to see what you get up to!

Find photos of your child from when they were younger. Put the photos in order and talk about how they have changed as they have grown. What can they do now that they couldn't do as a baby? Your child could draw their own pictures of how they have changed and add their own labels.

Look through 30 Random Acts of Wildness (see EYFS page or follow the link below). Choose and plan the activities you might be able to do in your garden or on your daily walk.

<https://www.wildlifetrusts.org/sites/default/files/2020-04/Schools%20Random%20Acts%20of%20Wildness%20Cards.pdf>

We have entered Spring and there has been lots of change happening around us. Next time you go for a walk, talk about the changes around us such as the trees. The children could create their own piece of art work to show how the trees have changed throughout the different seasons of the year.

Plant a seed. Why don't you try planting it in a clear container with cotton wool at the bottom. You child will be able to watch what happened to the seed as the roots and stem begin to grow. Find out about the different parts of a plant and what they do.

Share a story about growing. Choose one from the list or think of your own.

- Jack and the Beanstalk
- The Giant Turnip
- The Odd Egg by Emily Gravett
- The Tiny Seed by Eric Carle
- Jasper's Beanstalk by Nick Butterworth

Make your garden or outside space insect friendly! <https://letsgowild.co.uk/wp-content/uploads/Make-Your-Garden-Insect-Friendly-LGW.pdf> Follow some of the tips on the fact sheet (follow the link or find the document on our EYFS page). In the coming weeks, we will be looking at insects. Get ahead of your game and start to tempt lots of creepy crawlies to come and set up home.

Go on a seed hunt in your very own kitchen! Which fruits can you find with seeds in. Are all seeds the same shape, colour or size? Find out about how fruit grows.
