

Topic Home Learning Menu 27-4.20-1.5.20

This term, the children in EYFS are exploring changes and growing in our topic "Let's See What Happens!" Here are a few different activities the children could do. It is just like a menu so you and your child can choose one activity or as many as you want! You may even think of other activities you and your child could do all about growing. You can email photographs, writing or art work to EYFS@new-swann.leics.sch.uk. We can't wait to see what you get up to!

Find out about how minibeasts change and grow. You could choose any creepy crawly - ladybird, spider, snail, caterpillar... Why don't you draw pictures to show how the minibeast changes.

Look through 30 Random Acts of Wildness (see EYFS page or follow the link below). Choose and plan the activities you might be able to do in your garden or on your daily walk.

Make some minibeast art work or crafts. Choose a favourite creepy crawly and get creative! Here are a few ideas to inspire you...

Collect some sticks when you are out and about or from your garden. Can you use them to create your own spider web? You will need string too.

Read a story about minibeasts! Choose a story from the list or think of your own:

- The Very Busy Spider by Eric Carle
- Superworm by Julia Donaldson
- Mad About Minibeasts by Giles Andreae
- Norman the Slug with the Silly Shell by Sue Hendra

Make a Bug Bungalow to try and attract some more creepy crawlies into your garden! You could follow the instructions here <https://letsgowild.co.uk/wp-content/uploads/Build-a-Bug-Bungalow-LGW.pdf> or find a different way to make them a new home!

Start your own nature hunt! Over the next few days, see how many things you can find and tick off the list. Find the sheet on the EYFS Home Learning Page.

30 Days Wild BINGO!

How many of these things can you spot in your own Dapn Wild adventure? Simply cross off each box as you spot them. To make it a completed bin, the Eric to get a star sticker, or get a full house!
