

# Moving to Year 1

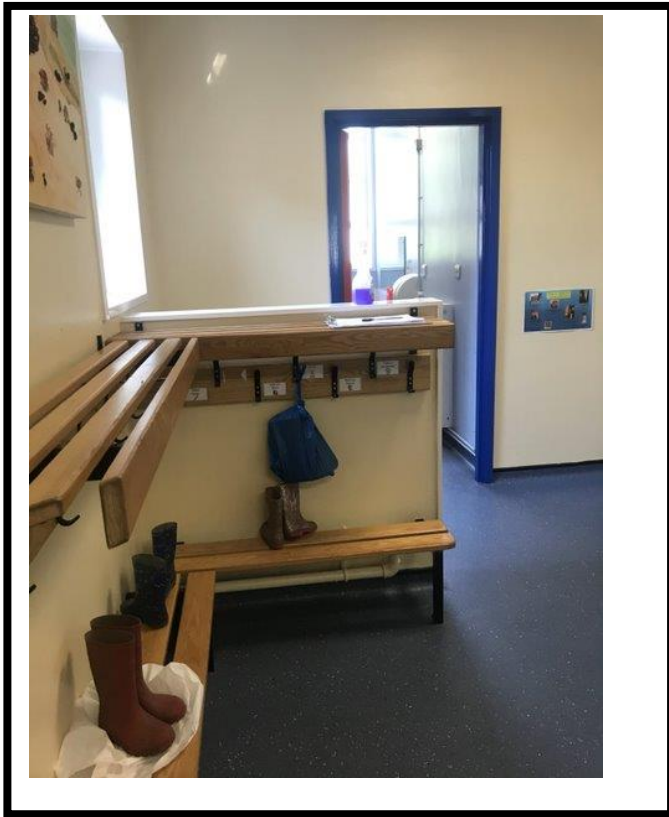

After the holidays you will be going back to school. You will be in Year 1.  
Some things will be the same and some things will be different.

You will come in through the Key Stage 1 playground. You will wait with your carers until the teacher opens the door.

You will come in with your class mates through the Year 1 door.

This is where we will hang up our coats.

The toilets are just next to the coats.

This is Mrs Fletcher. She is going to be your teacher on a Monday, Tuesday and Wednesday.

Miss Wilman will be your teacher on a Wednesday, Thursday and Friday.

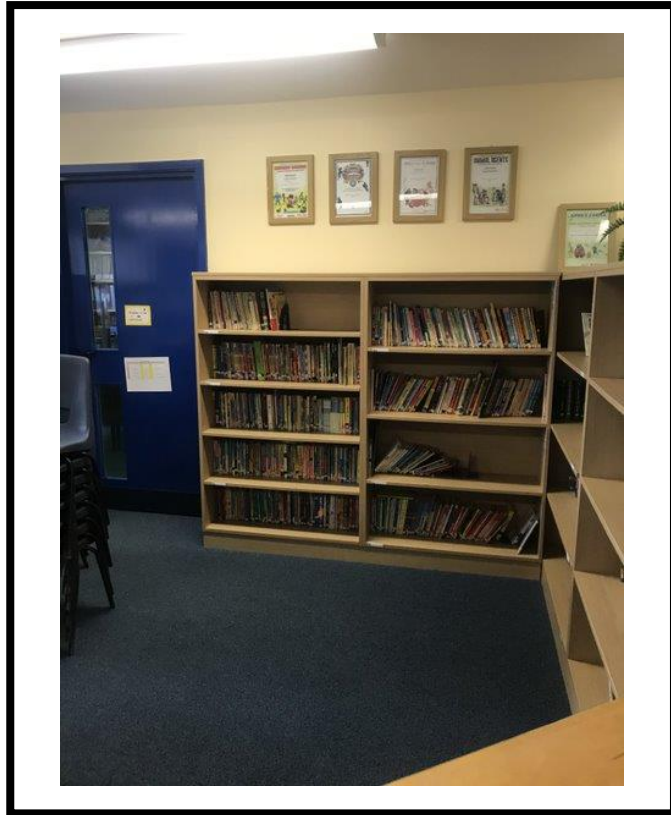

Miss Jordan will also be helping you with your work in the classroom.

This is the classroom. Although it will look a little different when you come back to school.

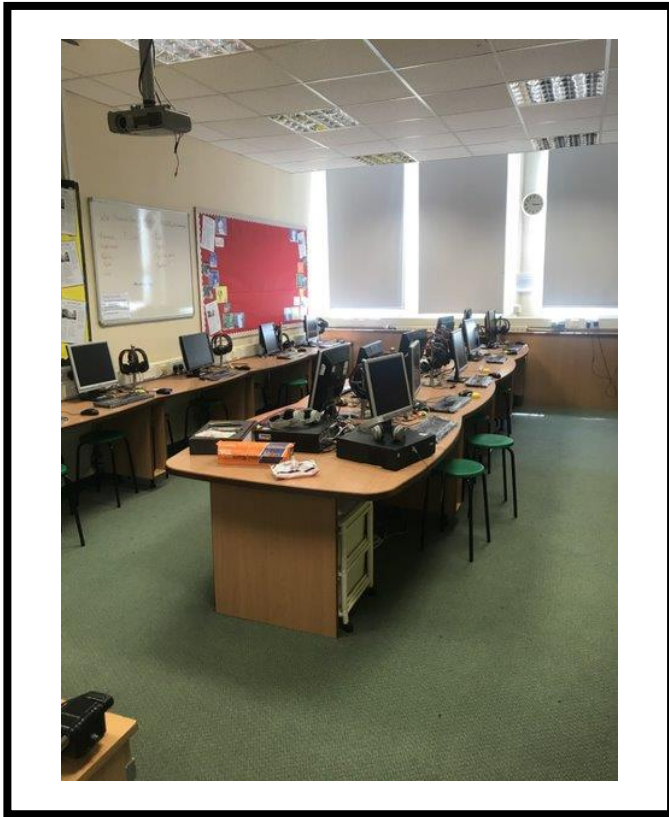

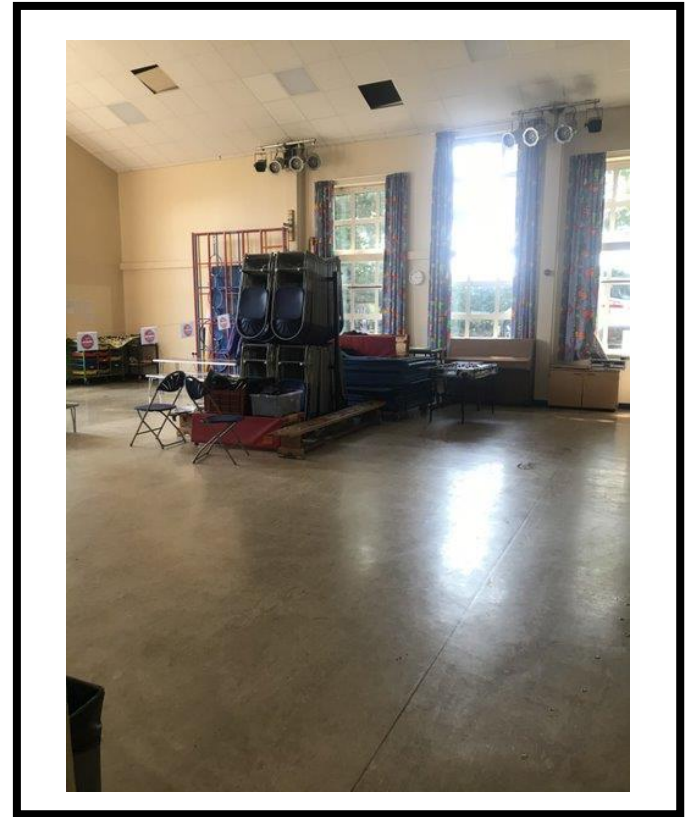

The book corner is full of lovely books that you can read. We will also visit the library.

You can also choose to learn outside sometimes, just like in EYFS. Things are different outside, there are different things to play with.

You will still use the computer suite.

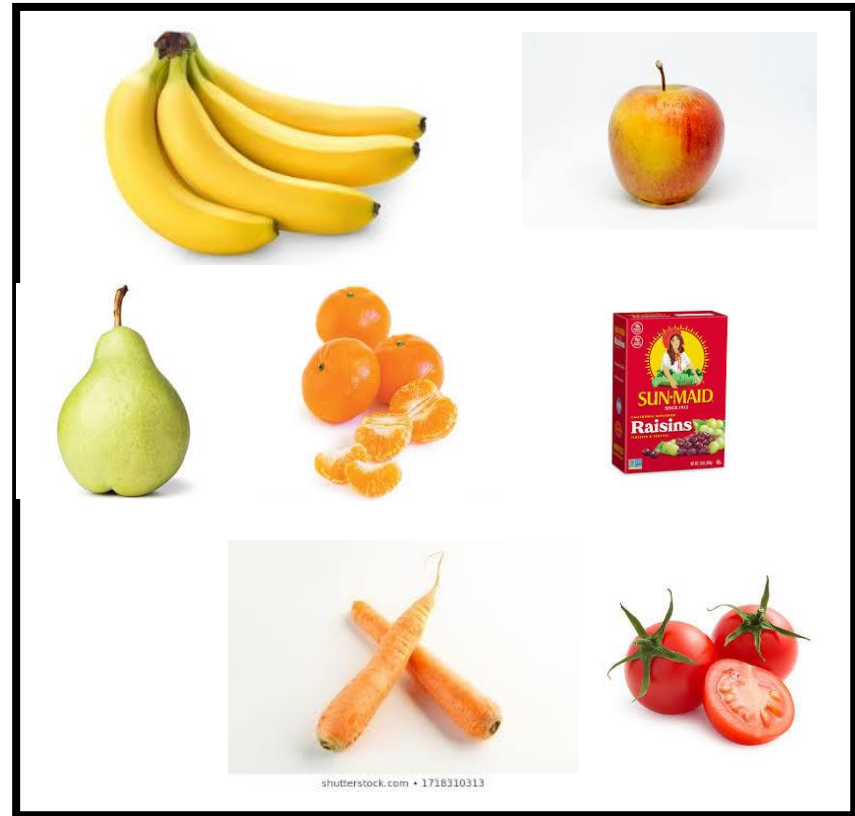

You will still use the hall sometimes.

At playtime you will still use the Key Stage 1 playground.

You will be given a fruit or vegetable snack or you can bring your own fruit or vegetable snack in.

When you get back to school you will be in The Year 1 Class. Some things will be the same and some things will be different and that's OK!  
You will be very excited about coming back to school.
