

Monday 9th November

W.A.L.T: Use the VIPERS skills of understanding Inference, Explaining, Retrieval and Summarising.

Text Title: Charlie and the Chocolate Factory – Chapter 27	
	How do you think Mike Teavee feels about being shrunk? Explain why you think this.
	Explain some of the problems mentioned in this chapter that could happen to Mike in the TV set and if he stayed tiny forever. Are there any positives? (Mr Wonka suggests one!)
	What does Mr Wonka say breakfast cereal is made of? Which two vitamins does Mr Wonka say his 'Super-vitamin Chocolate' does NOT contain? Where does Mr Teavee put tiny Mike?
	Summarise in no more than 24 words what the key events are that happen in this chapter. Make each word count!
