

New Swannington Pupil Premium Strategy Statement 2020/21

Objectives of Pupil Premium Spending

At New Swannington Primary School we believe that every child must be provided with opportunities to develop socially, emotionally, academically and physically. We are an inclusive learning community that is committed to ensuring that all of the children in our care are happy, enthusiastic and purposeful learners.

Recent research (Education Endowment Foundation) recommends that schools should consider a tiered approach to Pupil Premium spending based on 3 core principles:

1. Quality First Teaching
2. Targeted Academic Support
3. Wider Strategies.

Our Pupil Premium funding is allocated to:

Quality First Teaching enabling children to make good progress (CPD teaching & learning.)

Targeted intervention (CLL support, early language intervention, catch up, targeted resources) aiming to bring down barriers to learning and ensure progress.

Wider strategies by supporting children's social and emotional well-being through Family Support and Family Link work, work with outside agencies and access to resources (including IT) and opportunities.

Number of pupils and pupil premium grant (PPG) received 2020/21

Total number of pupils on roll	197
Total number of pupils eligible for PPG	20
Total amount of PPG received	£28175
