

## Topic Home Learning Menu 4.5.20-8.5.20

This term, the children in EYFS are exploring changes and growing in our topic "Let's See What Happens!" Here are a few different activities the children could do. It is just like a menu so you and your child can choose one activity or as many as you want! You may even think of other activities you and your child could do all about growing. You can email photographs, writing or art work to [EYFS@new-swann.leics.sch.uk](mailto:EYFS@new-swann.leics.sch.uk). We can't wait to see what you get up to!

Find out about the life cycle of different flowers and how they change. You could also try and collect some dandelion seeds for a closer inspection!

Look through 30 Random Acts of Wildness (see EYFS page or follow the link below). Choose and plan the activities you might be able to do in your garden or on your daily walk.

Make some flower art work or crafts. Choose a favourite flower and get creative! Here are a few ideas to inspire you...

Go flower spotting! Here is a handy checklist you could use or you could take photos and make your own.

<https://letsgowild.co.uk/wp-content/uploads/Flower-Spotting-LGW.pdf>

Listen to Miss Wilman read "Christopher Nibble" on the New Swannington YouTube page

Start your own nature hunt! Over the next few weeks, see how many things you can find and tick off the list. Find the sheet on the EYFS Home Learning Page.

Make a Fairy Den. Follow the link for tips.

<https://letsgowild.co.uk/wp-content/uploads/Make-a-Fairy-Den-LGW.pdf>.

Choose a special place to build your den, this could be near tree roots or branches, in a hollow, or in a gap in a wall. You could build a den in the corner of your garden or somewhere you go walking. Remember, you can keep adding to it.

EASY DIY
