

Travel through Time!

How do we travel today? (A local traffic survey)

How did we travel in the past?

What do vehicles look like?

What is an axle?
What is a chassis?
(Design and make a moving vehicle)

Who invented the first car?
Who invented the first train?
Who invented the first plane?
(Famous individuals from the past)

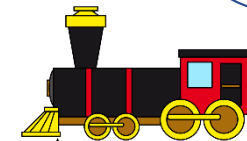

During Explorers (creative curriculum) we will be finding out the answers to these questions...

What happened to the Titanic?

Which famous inventor worked in Coalville?

Where will we travel to next?

Our Curriculum Drivers

Spirituality: To us this is understanding ourselves and having empathy.

Possibilities: To us this is raising our aspirations and pursuing our dreams

Mindfulness: To us this is perseverance and overcoming challenges.

Diversity: To us this is respect and celebration of all people.
