

Friday. 3rd July 2020

Dear Year 4,

We are hope are well and have had a good week. We have been doing Birds in the Year 1 bubble this week which was well timed as one of you has had some feathery additions to the family!

Mrs Webber-Jones has finished her second book for the summer reading challenge. Here is her book review.

Mrs Webber-Jones' book review

The blurb: A shooting star crashes to earth and changes Elliot's life forever. The star is Virgo - a young Zodiac goddess on a mission. When the pair accidentally unleash the wicked death daemon Thanatos, they turn to the old Olympian gods for help. But after centuries of cushy retirement on earth, are Zeus and his crew up to the task?

I really enjoyed this book as it was really funny and a real page turner – I couldn't put it down! My favourite character was Virgo as she had a lot of hilarious misunderstandings when she first arrived on Earth.

Can you believe we are nearly at the end of the school year? And what a strange and unexpected school year it has been! Your end of year reports will be sent out soon and you will see on them we have given you some suggestions about what you might like to work on during the summer to help you prepare for year 5. We have created a padlet to support you with some of these ideas. There are also some general revision resources for you as well. Here is the link to the padlet <https://padlet.com/RWJ4/summerchallenges> Remember you don't have to do it all – your report will point you in the right direction of what activities to do. Also remember that it is really important that you have a break over the summer so these activities are not meant to be weekly work for you to do. They are just small things that you can dip into to help you make the best start in year 5.

As always, please keep sharing the fantastic work you have been doing or just send us an email to say Hi. We always love to hear from you.

Bye for now,

Mrs Webber-Jones and Mrs Mistry

Year4@new-swann.leics.sch.uk

Here is your quick glance overview of the work we have suggested this week. Remember, use it in the way that suits your family, using as much or as little as you want.

Maths and English	BBC Bitesize https://www.bbc.co.uk/bitesize/levels/zbr9wmn Also look at the school website for some more learning packs.
Science	Sound. You will find the work by clicking on the padlet link below https://padlet.com/year432/SoundScience
Writing	There is a writing task linked to the sound topic. You will find a full description of it on the science padlet above. Don't forget you can use https://www.pobble365.com/ for inspiration for your own writing.
Reading	https://padlet.com/year432/reading If you haven't already, sign up for the summer reading Challenge https://summerreadingchallenge.org.uk/ Read Theory https://readtheory.org/auth/login
Spelling	We have just stumbled across this website that looks really useful. It has some word lists for each year group, free games to play and online tests to take. https://spellingframe.co.uk/
Time tables	Resources on education city and ttrackstars
computing	use your code.org login to work through the modules.
