

Friday 10th July 2020

Dear Year 4,

Congratulations! We have all made it to the end of a very unusual school year!

You have all done yourselves proud with how you have adapted to these strange times and how you have kept up with your home learning.

We have spoken to Mrs Jenner all about you and she is really looking forward to welcoming you into year 5. She knows about the learning we may have missed and how some of you may have worries about coming back to school in August. Mrs Jenner knows that the most important thing when you come back will be to make sure you are happy and will support you to deal with any of those worries. Of course, we won't be too far away if you need our help with anything.

It has really been a pleasure to teach you this year and we wish you every success moving into year 5.

Have a fantastic summer break and stay safe,

*Mrs Webber-Jones and Mrs Mistry*

*P.S. You should have had your report by now – please let us know ASAP if you haven't received it as we know there were a few blips with the technology! Remember, if you want to do a bit of extra work over the summer your report and this padlet will point you in the right direction. <https://padlet.com/RWJ4/summerChallenges>*
