

Year 5 Task List

Week Beginning Monday 1st June

Maths

Wed - Challenge 1, 2 and 3 (see download worksheets)

Lost in the Forest Maths Escape Room activity (Year 5)

Thursday - Arithmetic Test 1

Friday - Bitesize - Challenge of the Week (Online problem solving)

English

Complete activity 1 and activity 2 from Persuasive writing - Gadgets

Guided Reading

I have managed to scan the chapters to our whole class text that we purchased before Lockdown - 'Cosmic'. Do you remember it? It looks too good to miss and not read.

This week I would like you to read Chapters 1 - 5 and complete the 2 VIPERS question sheets too.

Science

Earth and Space Escape Room

Topic

This is a brand new topic called 'Theme Parks'.

*You will see that I have downloaded the whole activity list, **however** I will direct you each week on which activities I would like you to complete. We will cover 2 /3 activities per week. To prevent you from rushing ahead of yourselves I will download the PowerPoint that fits the relevant activities each week. You will need to follow this PowerPoint so that you know what to do.*

This week I would like you to complete activity 1 and 2

Enjoy xx
