

Dear Year 5,

Hi, how are you all?

Just a quick note to let you know that I am back in school now, I will be setting your Home Learning in line with the work that we shall be completing in school with my Year 6 bubble, this is so that it is manageable for me and so that you don't miss out just because the Government hasn't asked your year group to return yet. I will keep some bits separate such as Maths and Guided Reading work although I might add some cheeky year 6 bits in too for you to have a go at. Year 6 are going to read 'Room 13' but we've read that book so I thought we'd start our 'Cosmic' book by Frank Cottrell-Boyce, I hope you enjoy it.

We have tried to set work so that most of the learning can be done on the computer, however this is not always possible for everything. If you do not have a printer at home, we will print a pack of photocopies. This can be collected from the school gates between 3.30-4.30pm any day.

So I've now deleted all the previous work that I set you on the Home learning page to prevent you from getting confused. Down the left hand side of the page you will see a folder for each week, if you click on that (e.g. w/k 1.6.2020) you will find all of the work that I have set for that week. As always do what you can.

Hope you're all still enjoying the sunshine and getting plenty of time outside. Look after yourselves.

Love Mrs J xxx
