

**Week Beginning Monday 15<sup>th</sup> June.**

Hi everyone, how are you?

I hope that you are all getting on well with the work I am setting you, if you are struggling to fit all of the work in or you can't do certain bits then please don't worry just do what you can, completing a little bit is better than nothing at all!!

This week we will continue with our guided reading book - Cosmic. We will also continue our work in Literacy on gadgets and our work in topic on Theme Parks. Like last week, if you would like a printed pack of the main worksheets please ring the office in the morning and I will sort one out for you which can then be collected between 3.30-4.30pm. From now on I shall only be able to print out the current week's pack, I have 11 Year 6 children in on Monday as part of a new bubble so time will be really short and I won't have time to print any packs from previous weeks.

This week I have put days of the week next to the activities, they don't have to be completed on these just fit them in where you can, I was just trying to make it more organised. Feel free to send your work to me or any pictures via my Year 5 email.

Lots of Love Mrs J xxxx

### **Task List**

#### **Guided Reading - Cosmic**

Read chapters 11- 14
