

## NSPS Summer Reading Challenge

We've heard a rumour that the normal Summer Reading Challenge is a little bit tricky to navigate (because it seems to be a national rather than a local event this year we think). So, because we have such amazing readers in our school, we've decided to run our very **OWN** competition ... just for our fabulous New Swannington Primary School children and nobody else.

All you need to do is read as many books as you can, write the names on the **Rainbow** chart and colour in a **Rainbow** band every time you finish a book. You can read as many books as you like, don't be limited by 6 books, just colour in another **Rainbow** - the more the merrier and the better chance your Year Group have of winning the prize!

'A prize' you say!

'Indeed' we say!

The Year Group who has read  
the most books during the  
Summer Holidays will win a  
'**Movie Afternoon plus  
cinema treats**'!

Hopefully all the Libraries will soon be open and you can go and choose a book but failing that you can download books from their online site.

There are lots of amazing things to read - you could even choose Fact books and learn about the Ancient Egyptians, Space or even Football - the world is your oyster.

There will also be a **certificate** waiting for everyone who takes part! So come on New Swannington, let's get reading!!
