20 January 2022

Dear parents/carers

## NEW SWANNINGTON PRIMARY SCHOOL – ETHOS, VISION & VALUES

We are excited to be revisiting the schools Ethos, Vision & Values and we would like you to support us on this journey as your views are a crucial part of the process.

Our results, curriculum and nurturing approach have made the school both popular and successful; but we feel the time is right to consider where we head next to ensure we continue to improve and build upon our existing strengths.

We are collecting the views of the children, staff, governors and parents/carers in order to establish a shared view on the next stage in the school's journey. Therefore, we would be grateful if you could complete the short questionnaire on the on-line form via the link below. If you are unable to complete form on-line, then a paper copy can be obtained from the office.

Your views and ideas will be used along with the views of all the other groups to build an even stronger and more positive future for our children.

In the 5th question, we are looking to use these to improve our existing vision statement, values and motto, so your ideas and input here are most valued.

After half-term, we will be forming a working group to progress this further and set our new Vision Statement & Values. If you would like to be part of this group, then please indicate in question 6. Please speak with Mrs Ramsell for more details if you are interested.

We would be grateful if you could complete the questionnaire by **Friday, 11 February 2022**.
