1 April 2022

Dear parents/carers

COVID 19 – AMENDMENT TO GOVERNMENT GUIDANCE

Following the changes that have come into force today (1 April 2022), the new guidance we have received with regard to Covid-19 is as follows:

- Adults with a **positive COVID-19** test result **should try to** stay at home and avoid contact with other people **for 5 days**, which is when they are most infectious. **For children and young people aged 18 and under, the advice will be 3 days.**
- Children and young people who are unwell and have a high temperature should stay at home and avoid contact with other people. They can go back to school, college or childcare when they no longer have a high temperature, and they are well enough to attend.
- Children should not attend school if a temperature is being controlled by Calpol etc.

As we have previously stated, we are not health care professionals and are, therefore, not able to advise on matters of a medical nature. You know your children best of all and are better placed to decide whether they are well enough to attend school.

Thank you for your support.

Kind regards

Judy Ramsell
Headteacher
