

Chapter 19 and 20

Vocabulary	What's a 'belemnite'? Find a phrase on Page 103 that shows the girls were really interested in what they were doing. What's a 'flotsam'?
Infer	Why's the path always sticky? Why do they initially run out of the water? What does the bird on the cliff remind Fliss of? Why does the day out end early? Who are the four children standing in the shallow end not swimming? Why aren't they swimming?
Predict	Read to the end of Page 107. Predict what Sal will say to Fliss.
Explain	Explain why the children remained barefoot, even though it was cold.
Retrieve	What's a sea fret?
